BOOK SYNOPSIS

"The Immortals is a lively re-imagining of classical mythology with an engaging premise, a page-turning plot, and an eye for the arresting and uncanny in contemporary urban life."--Deborah Harkness, New York Times bestselling author of A Discovery of Witches Manhattan has many secrets. Some are older than the city itself. Winter in New York: snow falls, lights twinkle, and a very disgruntled Selene DiSilva prowls the streets, knowing that even if she doesn't look for trouble, it always finds her. When a dead body is discovered sprawled atop Wall Street's iconic Charging Bull statue, it's up to Selene to hunt down the perpetrators. Her ancient skills make her the only one who can track a conspiracy that threatens the very existence of the gods, Selene - once known as Artemis - among them. Winter of the Gods is the much-anticipated new novel from the author of The Immortals. Olympus BoundThe ImmortalsWinter of the Gods
