BOOK SYNOPSIS

Lets do the "Time Warp" again! Another anthology of rollicking, thought-provoking collection of tales by a star-studded array of top writers such as bestseller Mercedes Lackey and Eric Flint himself all set in Eric Flint's phenomenal Ring of Fire series. After a cosmic accident sets the modern-day West Virginia town of Grantville down in war-torn seventeenth century Europe, these everyday, resourceful Americans must adapt or be trod into the dust of the past. Rock on, Renaissance! A cosmic accident sets the modern West Virginia town of Grantville down in war-torn seventeenth century Europe. It will take all the gumption of the resourceful, freedom-loving up-timers to find a way to flourish in mad and bloody end of medieval times. Are they up for it? You bet they are. The third rollicking and idea-packed collection of Grantville tales edited by Eric Flint, and inspired by his now-legendary 1632. At the publishers request, this title is sold without DRM (Digital Rights Management).
