- ISBN : 0872209547

### BOOK SYNOPSIS

"A Rulebook for Arguments" is a succinct introduction to the art of writing and assessing arguments, organised around specific rules, each illustrated and explained soundly but briefly. This widely popular primer -- translated into eight languages - remains the first choice in all disciplines for writers who seek straightforward guidance about how to assess arguments and how to cogently construct them. This 4th edition offers a revamped and more tightly focused approach to extended arguments, a new chapter on oral arguments, and updated examples and topics throughout.

**A RULEBOOK FOR ARGUMENTS HACKETT STUDENT HANDBOOKS** - Are you looking for Ebook A Rulebook For Arguments Hackett Student Handbooks ?
