

Aiding Students Buying Students Financial Aid in America

BOOK DETAILS

- Author : Rupert Wilkinson
- Pages : 360 Pages
- Publisher : Vanderbilt University Press
- Language : English
- ISBN : 0826515029

BOOK SYNOPSIS

Wilkinson traces the history of undergraduate financial aid at American colleges and universities; the origins, purposes, and impacts of merit- and need-based aid; the federal government's role; the evolution of elite private institutions; and the current climate and concerns. The concluding chapter lays out how these factors, combined with increasing costs of attending college, impact low-income minority students and how reforms on campuses and in Washington, DC, can better serve higher education and the more disadvantaged students.
