BOOK SYNOPSIS

Ruthann Russo has been a vegetarian and vegan for more than 20 years, and in 2007 became a passionate raw-food enthusiast. She brings that passion to the pages of this comprehensive introduction to raw and live food. In simple, encouraging language, she conveys a wealth of information, from the philosophy of raw-food nutrition, to how it affects the body, to how to transition from a regular diet to one that promotes physical, emotional, and spiritual health. Using examples from her own life, Russo lays out a practical plan for making the switch that starts with realizing the need to change one's diet (and health), and then stresses small dietary changes to discover what raw foods work, and assessing reactions. She profiles cacao, raw sweeteners, water, pH level of foods, juices versus smoothies, salt, the process of dehydrating food, garlic and onions, and overall food preparation. Russo highlights what supplements (superfoods, vitamins, green products) to include in the diet. She emphasizes the spiritual aspects of the movement as well, exploring meditation, yoga, Buddhism, peacefulness, and fasting. From the Trade Paperback edition.

BEING VEGAN LIVING WITH CONSCIENCE CONVICTION AND

COMPASSION - Are you looking for Ebook Being Vegan Living With Conscience Conviction And Compassion? You will be glad to know that right now Being Vegan Living With Conscience Conviction And Compassion is available on our online library.
