BOOK SYNOPSIS

IMÁGENES, Third Edition, takes a functional, integrated skills approach specifically designed to help students develop receptive and productive skills simultaneously that are critical in learning Spanish. When using IMÁGENES students acquire communicative skills while gaining an awareness of Hispanic cultures. The program's practical, relevant themes, lively practice, and engaging technology components get learners communicating early and confidently. The exciting new third edition will contain a greater focus on the cultures of Spanish-speaking countries and have two new video blogs in each chapter to provide input of chapter functions and vocabulary. IMÁGENES will keep students motivated as they learn and explore the many cultures of Spanish-speaking world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
