BOOK SYNOPSIS

Fly fishers often ask Tom Rosenbauer how they can take their angling to the next level, and in his latest book the Orvis manager, expert fly fisher, instructor, tier, and award-winning author sets out to help them do just that. With forty years in the business, Rosenbauer knows the information fly fishers need to step up their game—whatever the level. Tom answers the top questions asked by anglers looking to take the next step. He offers advice on casting and rigging techniques that are beyond the basic level taught in fly-fishing schools but are essential if you want to be more successful, and he includes QR codes to take you to videos of his teaching tips in action.
