BOOK SYNOPSIS

People who like to eat well without the fuss have always turned to Mark Bittman for his trademark pared-down elegance and contemporary style. In 404 Express, Bittman, author of the popular New York Times column "The Minimalist" and the bestselling How to Cook Everything series, offers readers a new level of ease with recipes that are no more than a paragraph long. The 404 seasonal recipes are sophisticated as they are simple: on a cold winter night, warm up with White Bean Stew served over crusty slices of oil-rubbed baguette. Welcome spring with Shrimp with Asparagus, Dill or Spice Poached Eggs and Truffled Arugula Prosciutto Salad. Make the most of summer produce with Scallop and Peach Ceviche or Apricot Cream Upside Down Pie, and try Salmon and Sweet Potato with Coconut Curry Sauce or Broiled Brussels Sprouts with Hazelnuts when the air starts to cool. The beautiful, two color cookbook also includes Bittmans complete guide to stocking your pantry, menus for a variety of occasions, and recipe lists that span the seasons.
