BOOK SYNOPSIS

How long should I wait to respond to his text message? Can I friend him on Facebook? Why did he ask for my number but never call me? When *The Rules* was published in 1995, its message was straightforward: be mysterious. But for women looking for love today, its not quite so simple. In a world of instant messaging, location check-ins, and status updates, where hook-ups have become the norm and formal one-on-one dates seem a thing of the past, its difficult to retain the air of mystery that keeps men interested. Now, with help from their daughters, the original Rules Girls Ellen Fein and Sherrie Schneider share their thoroughly modern, fresh take on dating that will help women in todays information age create the happy love lives they want and deserve. Whether youre a 20-something dating for the first time, a 30-something tired of being single, a 40-something giving advice to your daughter, or a 50-something getting back in the dating game, this book has the answers youve been waiting for. The Rules include: Stay Away from his Facebook Profile Make Yourself Invisible and Other Ways to Get Out of Instant Messaging Stop Dating a Guy Who Cancels More than Once Text-Back Times Chart Dont Just Hang Out or See Him 24/7 TTYL: Always End Everything First-- Get Out of There! And much, much more! Providing the dos and donts you need to stop making mistakes and start finding romance, **NOT YOUR MOTHERS RULES** will revolutionize dating today just as *The Rules* did nearly 20 years ago!
