## BOOK SYNOPSIS

DeCarlo, best known as the Archie comic book artist, also populated another world, which he filled with cartoons featuring girls in lingerie (and sometimes less), and often bearing an uncanny resemblance to his perennial blonde next door and rich-bitch socialite. Culling through thousands of Humorama digests, editor Alex Chun has selected the best of DeCarlo's ink wash pin-up work, with many featuring captions by Marvel Comics Stan Lee. Along with collecting hundreds of long out of print images, the book is introduced by Bongo Comics creative director Bill Morrison.
