BOOK SYNOPSIS

When 27-year-old Sarah Levy opened her own pastry shop in 2004, she was barely out of college. She hails from a noted Chicago-based restaurant dynasty, but the success shes achieved has been all hers, and shes since gone on to open a second location inside Macys. Sweetness shows how anyone can make delicious desserts and sweet snacks regardless of cooking experience (or lack thereof) — especially younger women who may not have a lot of kitchen training, but want to have a few go-to recipes for events, gifts, or that special someone. This is the book for readers who want to learn how to make top-quality treats that will knock the socks off anyone who samples them. Levy’s warm personality, step-by-step instructions, and vibrant color photos make this the perfect addition to the bookshelf of both budding chefs and seasoned pros.
