BOOK SYNOPSIS

When *The Essential 55* was published, Ron Clark became a tireless promoter, traveling the country to speak to large groups of teachers and fans. And when his Oprah appearance shot the book onto the New York Times bestseller list, he kept the heat on. We can expect the same tenacious commitment to promoting his follow-up book, *The Excellent 11*. *The Excellent 11* contains eleven sections, with each one focusing on a theme directly related to teaching and raising children. Ron Clark draws from his own experience to give advice, telling personal stories that demonstrate the significance of each theme within the learning environment--an environment that extends beyond the classroom and into the larger world. Using themes ranging from Adventure, Ingenuity, and Humor to Dedication, Creativity, and Love, Clark provides a road map for both parents and teachers who want to enrich their children's learning experiences.
